

[illegible][illegible]

Technical drawing of a cabinet. The drawing shows a front view of a cabinet with a main body and a smaller section on the right. Dimensions are indicated at the bottom: 210.8 for the main body width, 216.8 for the total width including the right section, and 223.8 for the total width including a small gap on the far right. The drawing includes several circular fasteners or screws: two on the top left, one in the center left, one on the bottom left, and two on the right edge (one near the top, one near the bottom). A small rectangular detail is visible on the top left corner of the main body.
